WILL TAKE TEACHERS' TEST. Applicants Preparing for Annual School Examinations.

The school board has announced that December 22 and 23 have been designated as the annual examination days for candidates for positions as his school teachers and as teachers of certain subjects in elementary schools.

The examination will be held under the direction of Harry English, secretary of the board of examiners, at the Central High School building. More than 100 candidates are expected to take the examinations, which consist English, history, Latin, art work, mathe matics, and biology, for high school candidates, and music, domestic art, and instruction in the incorrigible schools for those desirous of teaching in the clementary schools.

HEPTASOPHS HOLD ELECTION.

Potomac Conclave Arranges to Fete the Supreme Officers,

Potomac Conclave, No. 470, Improved Order of Heptasophs, held its annual election of officers and made arrangements to entertain the supreme officers on January 5 at the regular meeting held at Pythian Temple last night.

The officers are: E. B. Swayne, archon; John S. Allison, past archon; Walter White, provost; M. T. Pimes, secretary; Sam Siegel, financier; L. J. Silverman, treasurer; M. E. Ellingsen, prelate; H. Wolff, inspector; H. Dreeben, sentinel; Louis Cohen, warder; S. I. Bessilivre, R. F. Metzel, and S. Goldsmith, trustees; Samuel Siegel, representative to supreme convention, and C. C. Beveridge, alter-

Shannon Elected Bank Director. At the annual stockholders' meeting of the Home Savings Bank, held on Tuesday, the only change made in the directorate was the election of W. E. Shannon to take the place of Ray E. Middaugh, recently deceased. At the subsequent meeting of the directors, Wednesday, the board of officers was re-

NOTES OF DISCORD AT PEACE MEETING

Continued from Page One.

specific causes of war and their remedies.

The machinery, he said, had already been provided. an unwillingness to arbitrate which kept nations from submitting all questions to

a court for decision, but a fear that they ould not obtain an impartial tribunal Among the difficulties of arbitration he cited the fact that different systems of law exist, and that there is not a code in international law accepted by all nations. The rules of international law, he con-inued, are vague and indefinite. The next step in the movement for peace, he said, would be the establishment of a court to pass on all international dis-

Bench Division, High Court of Justice for Ontario, Canada. With a masterly At a recent monthly meeting of the hand he sketched the international relations between the United States and Can-Mayor Robert E. Joyce said that \$1.50. ada, referring in delicate sarcasm to the the present price per thousand feet, is outcome of the treaties from which this

the present price per thousand feet, is exorbitant, compared with the cost of manufacture, and said the time is ripe for the patrons of the gas company to get busy.

The idea was heartily approved by the members of the council and the citizens present and a committee, composed of Mayor Joyce, the four members of the council, J. B. Moore, Francis M. Proctor, W. H. Venneman, and A. W. Winslow, and Messrs. John J. Moran, J. L. D. Herron, and W. W. James, was appointed to the council of the treaties from which this country received favor, and in like manner expressing the satisfaction of Canada, where the reverse was true.

As one of the most important treaties in force between the United States and Canada, Justice Riddell devoted a considerable space to that commonly called the "Bush-Bagot" convention. This treaty contained an agreement limiting the naval force to be kept on the Great Lakes to vessels not exceeding 100 tons burden, and each to have but one cannon of eighteen pounds. It was agreed non of eighteen pounds. It was agreed to dismantle forthwith all other armed vessels no the Lakes, and that no other vessels of war should be there built or

"In 1904 permission was given," said Justice Riddell, "to the U. S. S. Essex, carrying fourteen guns, to pass through the St. Lawrence River and the Canadian canals to the Great Lakes. done on the assumption that the United States did not intend to depart from the convention, although I must confess my inability to understand how this was log-
